## VALUES ARE REVITALISING EDUCATION

**VALUES EDUCATION** is changing hearts, minds & wellbeing at a pivotal time.

### VALUES LITERACY ...

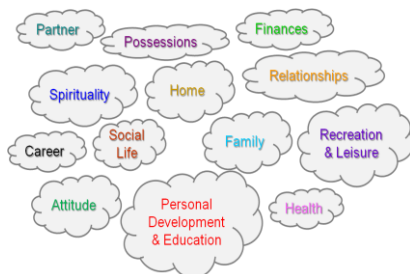

enables the fulfilment of the true potential of:

- ✓ teaching and non-teaching staff
- ✓ children and young people
- ✓ parents and carers

### VALUES IN ACTION ...

- ❖ provides exhilarating school & personal visions
- ❖ develops effective leadership skills & role models
- ❖ empowers learners to flourish & excel
- ❖ engages parents & carers in children's development
- ❖ impresses school inspectors

### VALUES-BASED EDUCATION OUTCOMES:

- creates a climate where excellence is the standard
- attracts & retains talented staff
- positions the whole school community for success
- generates strategies to exceed expectations
- inspires everyone to improve performance
- develops competences & essential life skills
- promotes collaboration & community cohesion
- enhances & maintains the morale of staff
- improves the reputation of the school
- motivates stimulating leadership action plans
- provides uplifting achievements for all to enjoy

**VALUES EDUCATION** - holistic development leading to happy, fulfilled learners.
